

Shared Safari Experience. (Public Safari)

Looking for an affordable way to enjoy a safari while meeting other travelers? Our Shared Safari Tours are the perfect option.

In a shared safari, you will join other guests in the same safari jeep. Our jeeps can accommodate up to 7 guests, making it a comfortable and social wildlife experience.

Your safari will be confirmed once two or more guests book the same safari package. If the minimum number of participants is not reached, we will inform you one day in advance, and the safari will only be upgraded if you like a private safari experience.

Just like our private safaris, shared safaris offer the same exciting safari options. Guests can choose from several safari durations depending on their preference:

Full Day Safari - 13 Hours
Morning Extended Safari - 7 Hours
Morning Safari - 5 Hours
Afternoon Safari - 4 Hours

Shared safaris are available for the following national parks:

Yala National Park
Udawalawe National Park
Bundala National Park

Note - We have shared safari facilities for any of our private safari packages. So choose the package you want and contact us via WhatsApp. You will also get all the amenities that guests get on private safaris (water bottles, food, pickup and drop off, king coconuts, fruits, and other things, etc.) on a shared safari. So for more information, please contact us via WhatsApp.
